ARTICLE 1. RECOGNITION

The Employer recognizes the Union as the exclusive collective bargaining representative for the unit as described in the Washington Public Employment Relations Commission Decision No. 2124; namely, regular full-time and regular part-time office, clerical and nonprofessional employees, hereinafter referred to as "employees." Excluded: All supervisors, professional librarians, and confidential employees as defined by law, provisional part-time, substitute, and temporary employees as permitted by law.

ARTICLE 2. UNION SECURITY

2.1 Notification to Employees

The Employer will inform new, transferred, promoted, or demoted Employees prior to appointment into positions included in the bargaining unit(s) of the Union's exclusive representation status and the Union security provision. The Employer will furnish the Employees appointed into a bargaining unit position with a dues authorization form.

2.2 Union Dues Deduction

When the Union provides written notice of an Employee's authorization for deduction of membership dues to the Employer, the Union has the right to have deducted from the Employee's salary an amount equal to the fees or dues required to be a member of the Union. The Employer will provide payments for all said deductions to the Union at the Union's official headquarters each pay period. The Employer agrees to deduct the membership dues or fees from the salary of Employees within thirty (30) days of receipt of the written notice from the Union of an Employee's authorization to the Human Resources office.

2.3 Dues Collection Exceptions and Changes

Should an Employee have no earnings in a pay period when dues are normally deducted, the Union shall be responsible for collecting dues from that person. The Union shall give the Employer thirty (30) days advance notice of any change in the amount of dues or fees to be deducted.

2.4 Dues Cancellation

In accordance with the terms and conditions of their signed membership card, an Employee may cancel the payroll deduction of dues by written notice to the Union. Once the Union notifies the Employer, every effort will be made to make the cancellation effective on the first payroll and not later than the second payroll after receipt of the notice from the Union that the terms of the Employee's signed membership card regarding dues deduction cancellation have been met.

2.5 Indemnification

The Union and Employees agree to indemnify and hold harmless from all claims, demands, suits or other forms of liability that shall arise against the Employer for or on account of compliance with this Article and any issues related to the deduction of dues or fees. Indemnification does not include the Employer's legal costs for representation.

ARTICLE 3. NON-DISCRIMINATION

3.1 There shall be no discrimination by the Employer or the Union against any Employee for belonging to the Union or engaging in legitimate Union activity.

3.2 Neither Party shall discriminate in matters of hiring, training, promotion, transfer, layoff, discipline, dismissal or otherwise because of age, gender, gender identity or expression, sex, marital status, race, creed, color, religion, national origin, political affiliations, sexual orientation or perceived sexual orientation, place of residence, the presence of any sensory, mental or physical disability, genetic information, obligation for service in the Armed Forces, or whether a disabled or Vietnam Era or other protected veteran, or because of the participation or lack of participation in Union activities, or any other status protected under applicable local, state or federal law, unless based on a bona fide occupational qualification in accordance with the provisions of RCW 49.60.180 and Title VII of the Civil Rights Act of 1964.

3.3 The Human Resources Director has been appointed the Equal Opportunity Officer and will be responsible for monitoring employment practices. Both parties agree that nothing in this Agreement will prevent an Employee from filing a complaint with the Washington State Human Rights Commission, Office of Civil Rights, or the Equal Employment Opportunities Commission.

3.4 It is the intent of the Parties that all employees work in an environment where the dignity of each individual is respected. Harassment because of an individual's age, gender, gender identity or expression, sex, marital status, race, creed, color, religion, national origin, political affiliations, perceived sexual orientation, place of residence, the presence of any sensory, mental or physical disability, genetic information, obligation for service in the Armed Forces, or whether a disabled or Vietnam Era or other protected veteran, or other status protected under applicable local, state or federal law is unacceptable.

3.5 The Employer agrees to include coverage of sexual and other forms of harassment in its training and Employee orientation programs. The Employer agrees to include no less than two (2) Employees in an ongoing training committee to develop specific training programs, training schedule, and training evaluation methods.

3.6 All parties agree that the social and economic well-being of the organization is dependent upon healthy and productive employees. Workplace bullying, abuse and harassment can create a hostile work environment and cause an employee to be less productive and endanger their own health.

ARTICLE 4. UNION ACTIVITIES

4.1 Representation

Upon request, Employees will have the right to representation at all levels on any matter adversely affecting their conditions of employment. The exercise of this right will not unreasonably delay or postpone a meeting. Except as otherwise specified in this Agreement, representation will not apply to discussions with an Employee in the normal course of duty, such as giving instructions, assigning work, informal discussions, delivery of paperwork, staff or work unit meetings, or other routine communications with an Employee.

4.2 Shop Stewards

- A. The Union will provide the Employer with a list of current shop stewards. The Union will maintain the list. The Employer will not recognize an Employee as a Shop Steward if their name does not appear on the list.
- B. Shop Stewards will be provided reasonable time during their normal working hours to prepare for, travel to and from meetings, and perform their duties. Shop Steward duties may include, but are not limited to, investigation of grievances, or complaints which might become grievances; serving as a third-party witness on behalf of Employee(s) in grievance meetings with the Employer; communication with the Employer's representatives on behalf of Employees when requested by the Employee.
- C. Shop Steward duties will be performed at reasonable hours upon first notifying the Employer and without unduly interfering with the progress of work. If an activity becomes time consuming and the Employer believes it is affecting the Employee's job, the Employer will contact the Union and a resolution will be negotiated.

4.3 Union Representatives

Authorized representatives of the Union shall have the right to investigate concerns with Employees at reasonable hours without unduly interfering with the progress of work. Union representatives, before visiting a FVRL worksite, must provide notification to the Library's Human Resources Director or the Executive Director's designee. The Union shall notify the Employer, in writing, of the names of their authorized Staff Representative and Shop Stewards. The Employer will notify the direct supervisor of Shop Steward designation. However, the Shop Stewards are responsible for notifying their direct supervisors of any time away from regular scheduled work time to perform union related duties as described in sub-section (A).

4.4 New Member Orientation

The Union and Shop Steward Team will be provided a list of all new Employees each month. Time will be allocated for a Union representative to meet with new Employees. This meeting may occur during the Employee's and the Union representative's work time. Forty-five (45) minutes will be allocated during the twice-monthly New Employee Orientation sessions for these meetings to occur.

The Employer agrees to provide each new Employee entering the unit with an informational packet, if provided by the Union.

4.5 Union Communications

The Employer and the Union agree upon the following regarding use of Employer-owned electronic communications equipment and digital platforms by bargaining unit employees and WPEA representatives when applicable and appropriate:

- A. Bargaining unit employees may use the Employer's digital and communication resources for communications with WPEA representatives related to the administration of the Agreement as follows:
 - 1. WPEA representatives shall have the right to use the Employer's digital and communication resources for communications sent to bargaining unit employees provided that the communications are related to administration of this Agreement. Mass distribution is limited to emails to wpeamembers@fvrl.org.
 - 2. Such use must not interfere with use of the equipment for library business purposes.
 - 3. Union-related electronic communications must comply with the Employer's policies and guidelines.
 - 4. Such use must not represent or suggest in any way that the communication is a library business communication.
 - 5. Any WPEA website or other union Internet access site will be the sole responsibility of WPEA.

ARTICLE 5. HEALTH AND SAFETY

5.1 The workplace shall be in compliance with the standards set by the Washington State Department of Labor and Industries, and other applicable state and federal laws. The Employer acknowledges that the health and safety, of both Employees and patrons, is the first priority during any public contagion threat. All patron service plans, and the Employee duties that are assigned shall prioritize safety.

5.2 The Employer acknowledges its obligation to strive to provide a work environment that is safe, free from hazards, and environmentally responsible. This includes providing indoor air quality in keeping with LNI standards.

5.3 The Employees have a duty to work in a safe manner, follow the Employers' safety rules and procedures, and to report unsafe conditions or acts to their supervisor or another supervisor if their own is not available.

5.4 The Employer has the responsibility to investigate the condition or act as promptly as possible and to take any necessary corrective action.

5.5 Within ten (10) days of when the unsafe condition or act is reported to the supervisor, the Employer will either take any necessary action to correct the unsafe condition or inform the Employee what steps are being taken to investigate and determine what action, if any, is necessary to correct the unsafe condition. If the Employee believes, in good faith, that the situation is not being adequately addressed in that time period, the Employee may contact the Human Resources Director and WPEA.

5.6 All grievances under this article shall begin at Step 2 of Article 18, but will be held in abeyance pending the outcome of any complaint filed with the Washington State Department of Labor and Industries.

5.7 When an Employee believes, in good faith, that circumstances exist that constitute recognized hazards that are causing or are likely to cause death or serious injury, the Employee shall report the circumstances immediately to their supervisor or, in the supervisor's absence, to the Human Resources Director. No Employee shall be required to continue working under such circumstances.

5.8 In the event recognized hazards exist, and if other suitable work in the Employee's job classification is available, the Employee will be assigned other duties no later than the beginning of the next workday. The new assignment will continue until such time as the safety hazard is investigated and necessary corrective action is taken. If no other suitable work is available in the Employee's job classification, the Employee may be reassigned to other available duties, provided that the Employee shall be paid per Article 9.15.

5.9 There will be no retaliation against an Employee who, in good faith, refuses to work or files a grievance pursuant to this article.

5.10 The Employer will provide a Safety Boot Allowance of two hundred dollars (\$200). Employees will be eligible for the Safety Boot Allowance every 18 months, calculated from date of submission for reimbursement.

The safety boots must be labeled ASTM F-2412-2005 or ANZI Z41-1999, or boots that meet ⁷ equivalent safety standards, to be certified by FVRL to qualify for reimbursement. Employees under safety-sensitive classifications are required to wear safety boots when performing certain job duties. Failure to do so may result in disciplinary action. Employees regularly assigned to the following job classification are eligible for the Safety Boot Allowance: Maintenance Assistant/Courier, Maintenance Assistant/Grounds, Facilities Assistant, and Facilities Specialist.

5.11 The Employer agrees to strictly follow the guidelines of all Material Safety Data Sheets (MSDS) in order to avoid misusing hazardous products, protect Employees' health and safety, and ensure compliance. The Employer also agrees to use no materials that are harmful to the Employee's health, for example Volatile Organic Compounds (VOC).

ARTICLE 6. SENIORITY

6.1 Seniority

Seniority is the length of cumulative years of employment of an Employee with the Employer.

6.2 Seniority Calculation

Seniority shall accrue based on years of paid service for bargaining unit work. Partial years of service shall be calculated as a percentage of annual accrual. Seniority is considered a cumulative calculation of all seniority accrued both in regular and union substitute status.

6.3 Seniority Date

An Employee's seniority date is identical to initial date of hire unless adjustment is required for the following:

- A. Leaving the bargaining unit
- B. Any year of substitute work where the employee does not meet or exceed 350 hours

In these cases, seniority dates will be adjusted forward on a day-for-day basis.

6.4 Substitute Employee Seniority

FVRL substitute employees who meet the 350 hour annual minimum hours worked to qualify for Union Substitute Employee status in the following year shall accrue one (1) year of seniority for each year they qualify. This adjustment will be made on January 1 of the qualifying year and the adjustment will be reflected on the January seniority list.

6.5 Seniority Exceptions

Time spent in leave without pay status will not be included in the calculation of seniority, except when the leave without pay is taken for:

- A. Military leave; or
- B. Compensable work-related injury or illness leave; or
- C. Leave taken for a FMLA qualifying event, or
- D. Approved educational leave; or
- E. Reducing the effects of layoff.

Time spent in leave without pay (LWOP) status, except as noted above, will adjust the seniority date forward on a day-for-day basis for each day leave without pay is used. The total number of hours of LWOP within any pay period will be rounded to the nearest eight (8) hour shift to calculate the number of days of LWOP adjustment that will be.

6.6 Seniority Lists

A seniority list shall be adopted by reference to the above definition. Leave without pay adjustments to an Employee's seniority date shall be calculated annually, prior to the annual posting of the seniority list. The seniority list shall be updated annually in January for posting on Union bulletin boards, electronic sources and also upon official request.

A digital copy will be provided to the Union's Headquarters office each January and upon official request.

6.7 Seniority Reinstatement

Employees who exit the bargaining unit shall have three (3) years from departure to return to the bargaining unit. These Employees shall have their previously accumulated seniority, adjusted for the length of their absence from the bargaining unit reinstated, per Article 6.3.

ARTICLE 7. CLASSIFICATION

7.1 General Statement

Both parties agree that the goal when filling open positions is to be fair and equitable. In order to achieve this goal, it is important to have consistent hiring practices in place.

7.2 Open Positions

All open positions in the bargaining unit, whether new or vacated, of seven (7) hours or more per week, will be announced first to Employees.

7.3 Open Position Announcement

The announcement of any new or vacant position will include: an internal posting date, an application deadline that includes date and time, position title, pay grade, a brief description of the duties and a link to the complete job description.

7.4 Open Position Posting

- A. All open positions shall be posted electronically for seven (7) calendar days, unless otherwise approved in writing by the Union.
- B. An announcement of the posting will be sent to all Employees, via email, on day one (1) of the posting period.
- C. Positions will be posted electronically, as well as sent to all members via email.

7.5 Bidding Process

Only Employees who complete the electronic bidding form or submit a complete paper bidding form during the posting period will be considered for the position. The successful candidate for any open position must meet the qualification standards for the work and be the bidder with the highest seniority. In the event that there is a tie in seniority status, the successful candidate will be the one whose bid was received first within the posting period.

7.6 Lateral Transfer

After posting the position for bid the Employer will award the position to the most senior bidder who meets the definition of a lateral transfer.

7.7 Promotions

Any Employee for whom the opening would be defined as a promotion may submit a FVRL job application during the posting period. If there are no successful lateral transfer candidates, Employees who meet the minimum qualifications for the job classification will be considered. Skills assessments may be required for positions that have technical, mechanical or physical qualifications. Skills assessments will be scored and a passing point established. The passing point will be established by mutual agreement between the Union and the Employer. Candidates who have previously passed the skills assessment will not be required to retake the assessment unless it is changed. Qualified promotional candidates will be interviewed and those with the two (2) highest scores will be considered. Of those two, the position will then be awarded to the candidate with the highest seniority.

7.8 Trial Service Period

Current union members in their trial period shall retain all rights of regular status Employees except for the right to grieve their trial status.

7.9 Realistic Job Preview

The hiring supervisor will offer a voluntary realistic job preview to the successful bidder. The successful bidder will have the opportunity to tour the work facility, get to know potential co-workers, understand daily job tasks and supervisor expectations, and ask any questions before accepting the position.

7.10 Reinstatement

During the trial period, should the Employer decide the Employee is not performing satisfactorily, they shall be:

- A. By mutual agreement between the Employee and Employer, reinstated to a vacant position of the same classification and number of hours within the Employee's former administrative unit or community branch, which they have the skill and ability to perform. If no such agreement can be reached, then,
- B. By mutual agreement between the Employee and Employer, reinstated to a vacant position of the same classification and number of hours, which the Employee has the skill and ability to perform, within the organization as a whole. If no such agreement can be reached, then,
- C. Bumped to the Employee's former position. If it has been abolished, the hours have been reduced, it has been reclassified, or the reverting Employee does not have the skill and ability currently required by the position, then,
- D. Bumped into the position of the same classification and with hours the same as the original FTE within the Employee's former administrative unit or community branch, which the Employee has the skill and ability to perform, occupied by the least senior Employee, provided that the Employee reverting is more senior than the Employee being bumped. If this situation does not exist, then,
- E. Bumped into the position of the same classification and with hours the same as the original FTE, which the Employee has the skill and ability to perform, occupied by the least senior Employee within the organization as a whole (meeting the existing distance requirements as stated in Section 7.11 of this Article). If no position exists which is occupied by an Employee less senior than the reverting Employee, then,
- F. Apply the terms of this section, beginning with 7.10(A), for the next lower classification in which the Employee previously has held regular status. In the above procedure, skill and ability will be determined in a fair and equitable manner. Employees being bumped according to this article shall have bumping rights as outlined above.

7.11 Transfer of Position

The Employer agrees not to transfer Employee(s) beyond a reasonable commuting distance of twenty-two (22) miles unless agreed to by the Employee.

7.12 **Classification**

The Employer will ensure that all bargaining unit positions have a complete and comprehensive job description. The formal job description shall include:

- A. Classification title
- B. Division
- C. Department
- D. Bargaining unit representation
- E. FLSA Status
- F. Pay grade
- G. Essential functions
- H. Additional duties and responsibilities of the job classification
- I. Required knowledge, skills and abilities
- J. Education and experience

The listing of essential and additional duties should be accurate, current, specific, and comprehensive.

7.13 **Classification Structure**

The Employer will provide to the Union in writing any proposed changes to a job description, including those for newly created job classifications. Prior to any changes being implemented the Union will be sent a copy of the proposed changes. Upon request of the Union, the Employer will meet to discuss the changes or notify HR of a request to bargain the effect(s) of a change to an existing or newly proposed job classification.

The Employer will notify the Union when a position is being reallocated to a job classification that is excluded from the bargaining unit covered by this Agreement.

7.14 **Position Review**

An individual Employee who believes that their position is improperly classified may initiate a review by emailing a written request to the HR Director, and the Union. The request should include:

- A. A brief listing of their duties and time spent performing them,
- B. Length of time they have been doing these additional or alternative duties,
- C. Proposed job classification these duties best fit into, and
- D. Their rationale for why they believe this is work not included in their current job description.

The Employer will acknowledge receipt of the written request by email. Within seven (7) business days of receipt, the HR Director will review the Employee's work in comparison to the reallocation request for accuracy. Within fourteen (14) business days of the review the HR Director will provide a written approval or denial of the request for position reallocation and communicate the decision to all parties.

7.15 **Reallocation Appeal**

In the event the Employee disagrees with a reallocation decision, they may request a review of the decision by emailing the Executive Director within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The Employer will acknowledge receipt of the appeal request by email. The Employer will have fourteen (14) business days from receipt of the appeal to conduct their review and issue a determination.

7.16 **Reallocation Determination**

The effective date of a reallocation resulting from an Employee request for a position review is the date the written request was filed with the Employer.

7.17 Reallocation Trial Service Period

- A. When a position is reclassified to a higher job classification based on the incumbent performing the duties of the higher job classification for at least six (6) months, no trial service period will be required.
- B. When a filled position is assigned duties that result in the position moving to a higher job classification, the incumbent will serve a six (6) month trial service period if they have not held regular status in the job classification in the past.

ARTICLE 8. REVERSION RIGHTS

- 8.1 The Employer agrees that no Employee may revert into a bargaining unit without previous regular status in the unit.
- 8.2 Any Employee who reverts into the bargaining unit because of elimination of position or reclassification of position downward shall be offered bumping rights based on seniority and ability to do the work. The reversion procedure shall be the same as for layoff.
- 8.3 An Employee may voluntarily revert within thirty (30) days of appointment as long as an appointment has not been made to the previous position.
- 8.4 An Employee who reverts back to the bargaining unit, into the same classification, will be placed in the pay grade and step they were in previously.
- 8.5 If the Employee did not have a step on the pay grade when departing the bargaining unit, they will be placed in the step which is closest to their wage rate upon departure. These will be subject to the six percent (6%) wage increase referenced in Article 9.3. This wage increase will not be retroactive, but will be effective upon their new date of hire.

ARTICLE 9. COMPENSATION

- 9.1 Wages for all Employees will be as indicated in the WPEA Classification Structure and Pay Grades, (Appendix A) of this Agreement.
- 9.2 The WPEA Classification Structure and Pay Grade document will maintain:
- A. A two and one half percent (2.5) % wage difference between the steps in the pay grade; and
 - B. The width of each pay grade shall be determined, in part, by the results of the December 2021 Salary Review.
 - C. The spread between each pay grade will be a minimum of five percent (5%) effective with the implementation of the results of the March 2022 Salary Review negotiations.
- 9.3 Effective upon ratification of this Agreement by the Union and approval by the Board of Trustees, all Employees who are employed as of the date of ratification/approval shall receive a six percent (6%) wage/salary increase which will be retroactively applied effective January 1, 2021. This retroactive wage/salary increase will apply to all base wages and any applicable premium pay, subject to ordinary withholdings, earned between the effective date and the date of contract ratification.
- 9.4 Effective July 1, 2023, a two and one half (2.5) percent pay increase shall be applied to all Employee wages.

The Employer will contract for the next Salary Review no later than January 31, 2024.

9.5 Implementation of Steps in Pay Grade

- A. No later than 30 days following ratification by the Union and approval by the Board of this Agreement, Human Resources will inform each regular Employee of their PID. The regular Employees' PID shall be the same as their Job Classification Start Date, as identified in FVRL's HRI System.
- B. Effective on January 1, 2022 Employees will begin receiving their step wage increase upon their PID.

After implementation of the wage increase outlined in Article 9.3, the Employer will place the Employee on the WPEA Classification Structure and Pay Grades at the step in accordance with their time in position as reflected by their Job Classification Start Date as outlined on Appendix A, but no lower than the step closest to their new hourly rate. If the hourly rate is between steps, the Employee's hourly rate will be set at the next highest step.

9.6 Establishment and Adjustments of Periodic Increment Date(s) (PID):

All regular Employees Periodic Increment Date (PID) shall be their initial date of hire, except as otherwise provided in this Article.

- A. If at any time, the Employee promotes to another job classification, the PID will be reset to the effective date of the promotion.
- B. Neither mandatory nor voluntary demotions will result in an adjustment of the PID.
- C. Beginning January 1, 2022 the Employee's PID will be adjusted in eight (8) hour increments for time spent in leave without pay not approved for Family Medical Leave.

9.7 **Wage Progression through the Pay Grade**

- A. Employees who are newly hired at the minimum step of the pay grade will receive a two (2) step increase following completion of the twelve (12) months of continuous employment in the position, and an additional two step increase following 24 total months of continuous employment in the position.
- B. Employees newly hired above the minimum step of the pay grade will receive a two (2) step increase following completion of the first twelve (12) months of continuous employment in the position.
- C. Except as provided above, all employees will receive a one-step increase annually, on their Periodic Increment Date, until they reach the top of their pay grade.

9.8 **Wage Progression during a Performance Improvement Plan (PIP)**

- A. Employees who are subject to a Performance Improvement Plan (PIP) on their PID shall not receive their annual step increase until they have fully met the goals of their PIP, as determined by FVRL.
- B. If an employee fully meets the goals of their PIP within six months of their PID they will receive their PID step increase, retroactive to their PID.
- C. If the employee fully meets the goals of their PIP more than six months after their PID they will advance to the next step upon their next PID.

9.9 **Wages upon Return to Bargaining Unit**

Previous experience as an Employee of FVRL will be credited when an Employee is rehired into the bargaining unit in the allotted three (3) year timeframe, per Article 6.7 Rehired employees will be placed in the appropriate step on the WPEA Classification Structure and Pay Grade. If the Employee did not have a step on the pay grade when departing the bargaining unit, their wage rate will be set in accordance with Article 8.5.

9.10 **Wage upon Initial Hire**

Previous experience within an industry appropriate to the classification will be considered when initially placing an Employee in a step on the WPEA Classification Structure and Pay Grades.

9.11 **Promotion**

Any Employee who promotes will receive the minimum rate of the new job classification pay grade in step A, or the step closest to but no less than one hundred and five percent (105%) of their current hourly rate, whichever is greater.

9.12 **Involuntary Demotion**

Any Employees who are subject to an involuntary demotion shall have a rate of pay no less than their current wage or the top of the new pay grade if their current pay is higher.

9.13 **Voluntary Demotion**

Any Employee who participates in a voluntary demotion shall move only to the new grade on the WPEA Classification Structure and Pay Grade, but remain in the same step as their previous placement to ensure a proportionate wage in their new job classification or the top of the pay grade if their current pay is higher.

9.14 Salary Review

The Employer commits to conducting a salary review for the purposes of obtaining information as to whether the organization's current compensation structure, policies and practices are effective and in need of adjustment, no later than December 2021 and, to the extent practicable, at least every four years thereafter. The parties agree to meet no later than March of 2022 to bargain the impacts and classification placement of the salary review.

9.15 Working Out of Classification

An Employee authorized to perform the job functions of a higher job classification for one (1) hour or more in their shift shall receive the beginning rate of pay for that job classification or one hundred and five percent (105%), of the current hourly rate, whichever is greater, for the time worked at the higher classification. Employees who voluntarily participate in a staff exchange program will not receive any change in compensation.

9.16 Travel

Any Employees who are approved to travel in their personal vehicles for work purposes will be compensated mileage at the Internal Revenue Service (IRS) rate. All Employees will use an Employer-provided vehicle if available before using their personal vehicle.

9.17 Multi-Lingual Skills

To better serve the communities in the district, the Employer will identify the languages other than English that have a patron base which would benefit from services in their primary language. The Employer will designate specific positions in a job classification at relevant locations for the requisite language.

9.18 Multi-Lingual Duties

- A. Multi-lingual duties will be limited to interpretation during basic patron interactions and communications. Certified multi-lingual Employees may be expected to interpret for other Employees or to review previously developed Employer materials to provide feedback for translation accuracy.
- B. If the Employer identifies the need for a specific position in a job classification to perform the essential functions of the position in a language other than English, for 51% or more of their total scheduled work time, the Employer will create a job description for this new position outlining the specific duties requiring the multi-lingual language skills to be performed. These language-specific positions will be paid at a premium which is fifteen percent (15%) greater than the position in the job classification without the multi-lingual requirements.

9.19 Multi-Lingual Testing

- A. Employees must demonstrate verbal and written fluency in the requisite language on a certified test conducted by an approved outside vendor.
- B. Language certification testing will usually take place at the approved vendor's site.
- C. If an Employee receiving multi-lingual premium pay promotes, transfers, or demotes to a position where the District has determined the language skill is not needed, voluntarily withdraws from the dual language pay program, or after a regular review by the District of the continued need for the language at the specific location the District determines it is no longer a benefit to patrons, the Employer will discontinue the multi-lingual premium pay.

9.20 **Multi-Lingual Premium Pay**

For each language in which an Employee is certified and has been identified by the Employer as being needed at their work location to perform basic patron interactions and communications, the Employer will pay an hourly premium of five percent (5%) of the Employee's base pay.

ARTICLE 13. DISCIPLINE

13.1 Levels of Discipline

The Employer agrees to make certain that Employee expectations are clear, attainable and the Employee has been given all the tools and resources to be successful.

The Employer may discipline or discharge any post-probationary Employee for reasonable and just cause in a manner appropriate to the nature and severity of the problem and designed to achieve correction and avoid recurrence. In cases where the Employer's investigation of a possible disciplinary action involves interviewing an Employee whose status may be affected, the Employee shall first be advised of the right to have a Union representative present. In such cases, the Employee shall be allowed reasonable time to arrange for Union representation prior to the interview being initiated by the Employer.

Coaching and informal counseling are often effective means of communication before formal counseling or discipline begins. Supervisors may provide the Employee verification and a summary of coaching conversation in a follow-up email. This will not be considered a written warning as outlined in B below.

If after an Employee has been forewarned of the possible consequences of their conduct or performance and the problem still exist, the following shall be followed in a progressive manner, unless the parties mutually agree otherwise in writing.

- A. Oral warning. An oral warning shall not be considered disciplinary action and documentation of such will not be placed in the Employee's personnel file, unless attached to subsequent discipline that was issued within one (1) year.
- B. Written warning. A written warning shall be issued to the Employee by their supervisor when an Employee demonstrates an undesirable trend in performance or conduct which requires corrective action. A copy of such notice shall be placed in the Employee's Personnel file, and a copy sent to the Union. In the event an Employee's performance or conduct has been maintained at an acceptable level for one (1) year following the date the written notification was issued, the written documentation shall be automatically removed from the Employee's Personnel file and destroyed.
- C. Suspension without pay. Suspension without pay may not be for more than five (5) working days.
- D. Discharge. It is recognized and agreed that the Employer has the right to discharge an Employee for just cause. Should an Employee fail to correct the undesirable performance or conduct or in the event of a serious offense as enumerated in Article 13.4 below, the Employee may be discharged. Other steps may be considered prior to discharge, such as demotion or reduction of pay.

13.2 Notification of Potential Discipline

At least six (6) calendar days in advance of any interview or hearing related to potential discipline under subsection (a), (b), (c), or (d) of Article 13.1, the Employee and the Union representative shall be given a description of the problem and copies of any documents the Employer will use in the interview or hearing. To the extent possible, prior to the interview or hearing, the Employee or the Union representative will give the Employer copies of any documents the Employee or the Union representative will use in the interview or hearing. This does not preclude a meeting with the Employee and/or the Union representative for the purpose of sharing such information. The Employer and the Union recognize that, unless adequate protections are assured, it may be necessary to withhold certain information to maintain the safety of persons and/or preserve the

integrity of the investigation. The Employer and Union further recognize that the Employer cannot discipline the Employee without obtaining all the facts and allowing an opportunity for a response.

13.3 Just Cause Criteria

The criteria for determining standards for just-cause discipline and dismissal shall include, but may not be limited to, the following considerations:

- A. That the Employee was forewarned of the possible consequences of their conduct or performance and clear expectations have been discussed and acknowledged by all parties.
- B. That the rule, order, and expectation is reasonable and directly relates to business operations and to the performance or conduct the Employer might properly expect of an Employee.
- C. That efforts were made to determine if the Employee disobeyed a rule or order.
- D. That the investigation was fair and objective.
- E. That there was satisfactory proof of misconduct.
- F. That the rules were applied without discrimination.

13.4 Discharge for Severe Misconduct

No prior warning, oral warning, written notification, and/or suspension, shall be necessary if the cause for discharge is criminal conduct on the job or when a thorough investigation determines the misconduct is severe in nature, at which time, the Union will be notified of the decision to discharge an Employee immediately.

ARTICLE 14. LAYOFF AND RECALL

14.1 Layoff Mitigation

The Employer will maintain a workforce capable of doing the work necessary to perform its responsibilities. If, because of a lack of funds and/or a lack of work, it becomes necessary to reduce its workforce, the Employer will attempt to reach such reduction through attrition and curtailment of hiring. Job sharing, unpaid leaves of absence, transfer, and early retirement represent other possible alternatives which may be considered. The Employer shall notify the Union prior to implementing layoffs. The parties shall meet to discuss possible alternatives within ten (10) working days of the Union being notified. Both parties agree there may be subsequent meetings.

14.2 Layoff Priority

Temporary Employees and probationary Employees in impacted job classifications will be terminated prior to a regular Employee being subject to layoff.

14.4 Layoff Sequence

- A. Employees who are laid off or bumped from their positions shall be provided the following employment options, in descending order, one progressively lower level at a time:

6. If Employees from Skamania and Klickitat counties would like to be considered for a position in Clark and Cowlitz counties, they must provide written notification to the HR Director as part of the layoff process.

In the above procedures, the required skills and abilities will be determined in a fair and equitable manner.

14.5 Informal Options

Employees being laid off may be offered funded vacant positions within their layoff unit provided they meet the skills and abilities required of the position.

14.6 Reinstatement and Recall

A permanent Employee who is bumped from their job classification to a lower job classification or has their number of hours reduced, as a result of a layoff process, shall be eligible for reinstatement to their original number of hours and job classification. As vacancies occur they will be offered to the most senior Employee in the recall pool eligible for reinstatement. Employees who are no longer working as a result of a lay off will be provided the opportunity to be placed in the Recall Pool. The Employee in the recall pool with the most seniority in the job classification they previously held status in will be given the first opportunity to be recalled; provided the Employee has the required skills and abilities for the position to which they are to be re-employed. Any notice of re-employment to an Employee in the recall pool shall be made by return receipt email, or certified USPS mail. The Employee is required to keep the Employer advised of their current mailing and email addresses. 14.7 Layoff Notice

Notice of layoff shall be given to the Employee and the Union, in writing, by return receipt email or certified USPS mail, no less than thirty (30) days before the scheduled layoff. Under Washington law, a public employee is entitled to a paid military leave of absence for a period not to exceed twenty-one (21) working days during each year beginning October 1st and ending the following September 30th. Military leave beyond the twenty-one (21) days of paid time off will be unpaid. Employees may elect to use accrued vacation, compensatory time or other available paid time off during the period of military leave. Employees should notify their supervisor and the Human Resources Director as soon as they receive notice of the need to report for military duty and provide the Human Resources Director with a copy of their military orders.

15.23 Jury Duty Leave

Necessary leave is allowed for jury duty for Employees. Employees may keep the compensation received for serving as a member of a jury. No employee will be subject to a loss of pay for jury duty service, nor will they be required to use their personal, annual, leave accruals unless they are requesting to be absent from work for time not spent in the performance of jury duties.

15.24 **Bereavement Leave**

- A. The Employer shall authorize paid bereavement leave for up to three (3) workdays per occurrence for an Employee due to the death of an immediate family member as defined below. The Employee shall give notice to their immediate supervisor as soon as possible and shall, if requested by the Employee's supervisor, provide substantiation to support the request upon their return to work. An Employee may also use up to five (5) days of sick leave per incident per 15.11(D). The Employer may authorize the use of additional vacation leave if requested.

Immediate family is defined as the Employee's spouse, domestic partner, children, stepchildren, foster children, grandchildren, parent, parent-in-law, grandparent, grandparent-in-law, siblings, guardian or other person residing with or legally dependent upon the Employee.

Not all persons significant to the employee may be part of their immediate family. The loss of an aunt, uncle, godparent or godchild, or other person of significance, may create a need for time to grieve. In support of this the Employee may use up to eight (8) days of sick or vacation leave per occasion for bereavement.

15.25 **Funeral Leave**

The Employer understands and supports the need for Employees to participate in funerals as part of the grieving process. Employees may use up to eight (8) hours of accrued vacation or sick leave to attend these events.

15.26 **Inclement Weather**

- A. If an Employee is unable to report for work because of hazardous weather conditions, the Employee may charge the lost time to available earned vacation leave or elect to be on leave without pay. If the Employee has exhausted their vacation leave, they may opt to use sick leave.
- B. Those Employees who report to work as scheduled and who due to inclement weather elect to leave early, shall have the option of using vacation leave, or leave without pay, or making up the time within the same work week if making up the time can be scheduled without invoking overtime.

It is the intent of the Employer to keep facilities open wherever possible. If, however, the Employer decides to close, Employees shall receive no loss of pay.

15.27 **Emergency Closure Leave**

If a library requires closure due to an emergency, natural or man-made, these situations will be handled on a case-by-case basis. A decision to make an emergency closure may be based on the likelihood of service being restored or the pending situation being resolved or mitigated. Lack of internet access is not considered an emergency.

In the case of a long-term emergency closure, such as a badly damaged building due to a disaster or a mandatory shutdown required in a pandemic, FVRL reserves the right to make staffing decisions based on the needs of the District and the nature of the position. Essential staff may be expected to continue to report to work throughout a mandated closure.

ARTICLE 16. LEAVE WITHOUT PAY

16.1 All Employees requesting leave without pay (LWOP) must submit a leave without pay request as soon as the need for such leave is known. If the Employee has exhausted their paid leave while they are off work, the Human Resources Department will notify the Employee by Employer email of the need for LWOP status.

16.2 All requests for LWOP will be considered on a case-by-case basis, unless subject to applicable laws (i.e. FMLA). LWOP requests will be considered when the Employee has exhausted all other paid leave options unless under involuntary and/or special circumstances. It is the Employee's responsibility to provide proof of the involuntary and/or special circumstances to the Human Resources Director before requesting unpaid leave without exhausting paid leave balance. LWOP may be granted by the Employer for any of the following reasons:

- A. Temporary Disability: The actual period of a planned or unplanned temporary disability suffered by the Employee and associated periods of recovery. A medical doctor's statement will be required regarding such factors as need for leave, estimated duration of leave and that the Employee is capable of performing the work to which assigned upon return.
- B. Extended vacation.
- C. Educational or personal leave provided such requests are submitted thirty (30) days in advance, or otherwise mutually agreed upon between the Employer and Employee. Requests for educational or personal leave shall be responded to within ten (10) days of the request.
- D. Emergency issues resulting from personal tragedies, disasters or for victims of violent crime.

16.3 An Employee returning from a leave of absence shall be reinstated to their original job. If the leave of absence is longer than six (6) months, the Employee shall be reinstated to their original job or one equivalent, both in pay and number of hours scheduled each week, for which they are qualified by reason of skill, experience, ability and physical capacity, unless business necessity dictates otherwise.

16.4 An Employee who fails to return from a leave of absence, or fails to request an extension of a leave of absence, by the end of the authorized period, or who accepts other full-time employment while on leave, shall be considered to have resigned and thereby forfeits their reinstatement rights.
